Safety Tips / Announcements

ONLINE DATING SCAM

As if online dating wasn't hard enough, you also have to worry about being scammed by your new found love.

Scammers create fake profiles using photos they found on the internet. They are charming, attractive, and successful. Don't fall for it - below are some warning signs that they may be a scammer.

- Your new online boyfriend/girlfriend asks you for money.
- He or she makes plans to see you but always comes up with an excuse and cancels.
- He or she professes their unwavering love for you very quickly.
- He or she asks you for money, gift cards, bitcoin, etc.
- He or she will "need" money for an emergency; they are stuck out of the country in a hospital or need money to travel to see you.
